

# Head teacher's weekly newsletter.

## A message from Alex

As we come to the end of the first academic year at Haywards Farm School and after holding our awards afternoon, I would like to say thank you to all our parents/carers for their incredible kindness and support which they have shown during our first year of our opening.

The awards afternoon and our Fete showed the community which has and is being created for our children. As a staff team I know that everyone is very proud of the beautiful environment and the well-resourced school we have and are dedicated to ensuring all our children get the best possible education we can offer.

I wish everybody a safe and settled Summer and we look forward to seeing you in September.

# *A special end of term thank you to....*

All the staff at Haywards Farm School work extremely hard on a daily basis and at times as their leader I recognise it can feel relentless.

I would like to take this time say a special thank you too just some of them.

A super thanks you to Emily, who has picked up multiple roles in the school over the last year to support the opening and our children transition into the school.

Thank you to Helen who has spent the half term working with our new secondary school Students to get them secondary school ready for September and in being so flexible and supporting students during this transitional time.

Thank you to Mo for his unique ability to build strong relationships with pupils and a special thank you for being Tommy's teacher for the Summer term.

Thank you to Sam who spends her day ensuring the running of the school is smooth and is forever answering the door, signing people in and answering the phone.

Hannah has been super awesome with her ability to love and care for her children in her class and lead Maths so brilliantly for us as a school.
